

## Beyond Wealth Advisors Participates in Raymond James Cares Month

Manhattan, KS – May 5, 2023 – Beyond Wealth Advisors proudly participated in Raymond James Care Month in a purposeful way this year by partnering with Habitat for Humanity. Over the last six years, Raymond James associates have contributed more than 36,800 hours of

service during our official month of giving back. This year, BWA worked to build a wheelchair ramp for a disabled individual which provided much-needed accessibility and independence, enabling her to move in and out of her home with ease. This project was a perfect opportunity to combine our values and make a meaningful impact in someone's life. "Giving back is more than a tradition for us; it's who we are."

Habitat for Humanity's mission is centered around seeking to put God's love into action by bringing people together to build homes, communities, and hope. They have casted a vision to live in a world where everyone has a decent place to live.

"We could not have chosen a better task for our volunteer day. This was excellent, and a great way to make a significant impact on someone who could not have done it themselves. To think this lady went from nothing to a finished, accessible ramp in one day was very satisfying and fulfilling" says Ryan Hayden, Financial Advisor.
