

## Beyond Wealth Advisor’s Hosts Successful Shred Event

**Lee’s Summit, MO** – April 6<sup>th</sup>, 2024 - Beyond Wealth Advisors teamed up with Shred America and successfully conducted its first-ever Shred Event. The event provided clients with a secure and convenient way to dispose of sensitive documents, emphasizing the firm's commitment to security and community service. This event will now become an annual tradition, reinforcing the firm's dedication to protecting client information.

The event took place in the BWA Parking lot, where clients drove through a designated line to drop off their documents, which were shredded on-site. This ensured that confidential information was destroyed securely and efficiently. The Drive-Thru Shred Event saw an impressive turnout, with over 75 clients participating and 3000 lbs of paper shredded.

By ensuring that shredded documents are recycled, BWA and Shred America contribute to the reduction of waste and the preservation of natural resources. This environmentally responsible practice helps reduce the carbon footprint and supports a healthier planet. Additionally, Shred America’s involvement in sustainability programs, such as tree planting initiatives, further enhances the positive environmental impact of the shredding process.

By establishing this as an annual tradition, the firm aims to foster a culture of security and trust, helping clients protect their personal information year after year
